

Don't Forget to Pack a Hat for OSHC

We have reflected as a team on our procedures with our OSHC hats.

At the moment we currently have very minimal amount of OSHC hats left and we have decided we will not be purchasing anymore OSHC hats.

We believe this will benefit our families in reducing the likelihood of Headlice.

What does this mean?

You will need to ensure you have packed a round brimmed hat in your child's bag to use at Before, After and Vacation Care.

Please note we do understand that some children are expected to leave their hats in the classroom. We are asking you to please provide your child a separate hat to keep in their bag for OSHC purposes. This does not need to be a school hat. But we do require it to be a round brimmed hat to help protect children from the sun and to follow sun safety requirements.

Our expectation is No Hat, No Play as it is important to help support the health and wellbeing of all children in our care. If you have any queries please do not hesitate to contact us to discuss this further.

Some Helpful Information

Please note the following changes regarding children bringing in their own devices–

With the updates to the National Model Code- Taking images in Early Childhood Education and Care we are making the decision that children are unable to bring in Mobile Phones, iPads, Tablets, smart watches (devices that can take photos, recordings or have data). This is to help support the rights and dignity of each child in our care. Children can bring in devices like a Nintendo Switch, Gameboy etc.

No iPads, Kids Smart Watches, Smart Watches, Tablets or Phones.

These items will be placed in the office and will be returned to the Parent/Guardian when signing out of Care.

Please check your children's bags to ensure they are not bringing these items to OSHC.

Food-

We provide Breakfast between 6:30 am till 7:30 am

Afternoon Tea at 2:30 pm

Late Snack 4:30 pm

Please refer to Menu

Parents and Guardians must provide

Morning Tea & Lunch

Water Bottle

Hat

Please pack extra, as we are busy all day and our bodies need refuelling!

5 Steps To Pack A Healthy Lunchbox

1. Fruit

1 serving,
examples:

2. Vegetables

At least 1-2 serve, examples:

Add a dip to help kids eat veggies

4. Healthy Snack

1 serve ONLY, examples:

3. Main Lunch

Include protein and healthy fat to keep your tummy full, plus whole grains (if eating grains) for long lasting energy. Examples include homemade hamburger with salad; wraps with chicken and salad; quinoa, brown rice, eggs, chickpeas etc. Include a dairy source such as cheese or side of yoghurt if eating dairy.

5. Water Bottle

Your body is made up mostly of water. You use this when you play, learn and go to the toilet. Be sure to drink water to replace what you use! It's the best drink for your body.
